The Simple, Powerful Choice for Online Shipping

Quadient's powerful online shipping solutions, **NeoShip BASIC** and **NeoShip PLUS**, ensure full IM®pb compliance from the USPS® for all your package shipping requirements.

As an option for our IS, IM and IN-Series mailing systems, shipping directly from your desktop has never been easier. Simply access NeoShip through your MyQuadient online account, follow the illustrated prompts and create your shipping label.

Decide which version of NeoShip is right for you!

Create a USPS® Compliant Shipping Label Online in Four Easy Steps

1 Choose a package type and weigh your item

2 Enter the shipping address

3 Choose delivery date, rate and USPS® Extra Services

4 Print shipping label and affix to the package

Shipping from Your Desktop has Never Been Easier

Enhance the Functionality of Your IS/IM/IN-Series Mailing System by Creating USPS® Compliant Shipping Labels
NeoShip provides the flexibility of printing your shipping label from an inkjet, laserjet printer or one of Quadient's supported thermal label printers.

Save Time by Eliminating Trips to the Post Office
One-stop processing for mailpieces and packages.

Benefit from the Cost Savings Associated with Commercial Base Pricing
Experience significant discounts on Priority Mail® and Priority Mail Express™.

Obtain an Online Consolidated View of All Shipments
Stay informed by tracking each package as it travels to its destination.

Create Summary and Detailed Reports Based on Shipment History, Operator Shipments and/or Transactions
Great for account and department chargeback.

Ensure "Ship To" Addresses are Up-To-Date with Free Address Correction Services
Help prevent delivery delays.

Apply Free Insurance on Priority Mail® and Priority Mail Express™ Items
Up to $50 value and $100 value respectively.

Because connections matter.

NeoShip PLUS Delivers Added Benefits

Eliminate Manual Entry of Addresses
Save time and avoid errors attributed to manual entry. Import up to 10,000 addresses to the Public Address Book and up to 1,000 addresses to the Private Address Book, per user.

Obtain and Store USPS® Proof of Delivery Letter PDF
The Postal Service retains delivery data for each shipment, with associated signature and address images, when Extra Services options are applied. The proof of delivery letter is stored and available for viewing and printing.

Maximize Your Desktop Shipping Solution
Couple a USB scale and thermal label printer with your laptop or desktop computer, and you never have to leave your desk to ship a package.

Manage User Roles and Privileges
Assign roles and control a user's level of access to the system's functionality based on the role's definition.
